

## Palatine Children's Chorus Attendance Policy

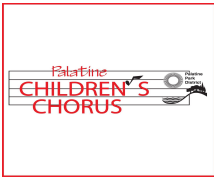

To be successful every member of a choir needs to be present and contributing to the group in a positive way. When a singer misses a rehearsal the other members of the group must adjust and the overall performance suffers.

To support our goals for a successful session, we have outlined the following procedures for excessive absences:

- A singer may not miss more than three rehearsals. If a singer misses more than three rehearsals they will have a mandatory check-in with a PCC director before being allowed to perform with the group.
- In the event that a singer misses two consecutive rehearsals, they will be required to have a mandatory check-in with a PCC director before being allowed to perform with the group.
- Mandatory Dress Rehearsals at Cutting Hall are mandatory. School concerts are the only exception.

Please use the PCC Absence form to report all absences ahead of time.
